## BACKGROUND

Child and Youth Protection Foundation is an autonomous not-for-profit, Non- Governmental, Non-political Non- religious organization that was established in June 2008. Child and Youth Protection Foundation is recognized as an organization working with government, religious organizations, schools, communities, and individuals to create an enabling environment and opportunities for the proper development of the Nigerian child and youth as stated in its vision.

## LEGAL STATUS

CYPF is duly registered with the Nigerian cooperate affairs commission (CAC) and is governed by a board of Trustee consisting of respectful citizens of Nigeria with a comprehensive knowledge and understanding of issues relating to children and youth.

## OUR VISION

A society which respects the rights of children and youth: a society which promotes positive and enabling environment for children and youth to grow and develop into responsible adults; a sanitized society.

## OUR MISSION

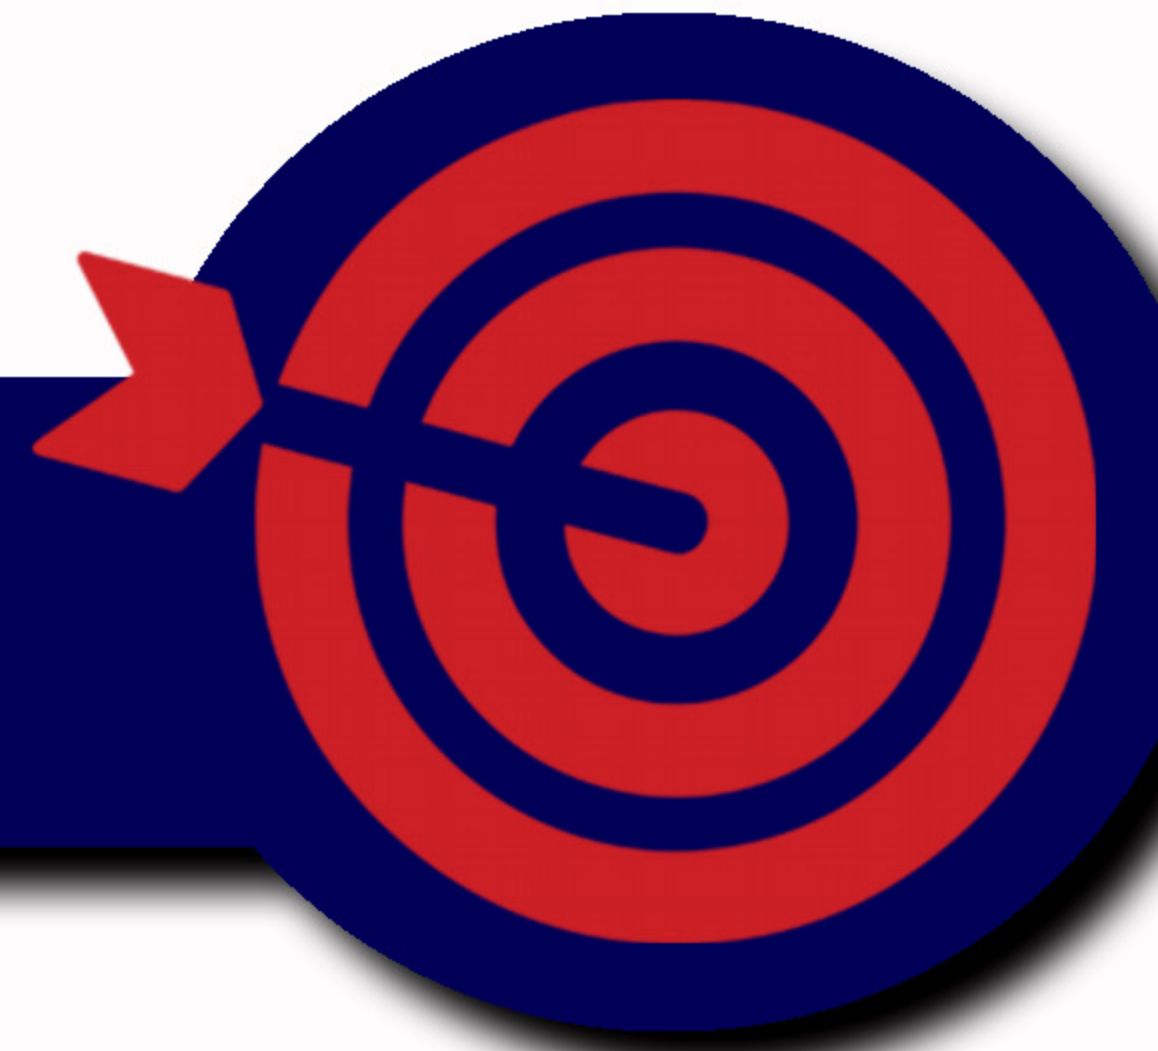

Is laying the foundation for a good future for children and youth in society and empowering them to be responsible citizens of the Nation. Ensuring that children are not in any way exploited, thereby creating an enabling environment for proper growth and development.

# OUR INSPIRATION

CYPF has been charged by God with the responsibility to advocate good tidings unto the meek; to bind up the broken-hearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound; to proclaim the year of God's favor, and the day of vengeance of our God; to comfort all that mourn; to give unto them beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness; that they may be called trees of righteousness, the planting of God, that He may be glorified.

# AIMS AND OBJECTIVES

- To campaign against immoral acts.

- To enhance elimination of corruption amongst children and youth in Nigeria.

- To promote sanity in the community.

- To influence policies reform on children and youth through advocacy.

- To mobilize and motivate stakeholders at all levels to respond to the challenges posed by violence and abuse of the rights of children and youth.

To counsel and re-integrate victims of violence and abuse and youth in conflict with the law

- To establish a re-habilitation center for children in conflict with the law and children beyond parental control.

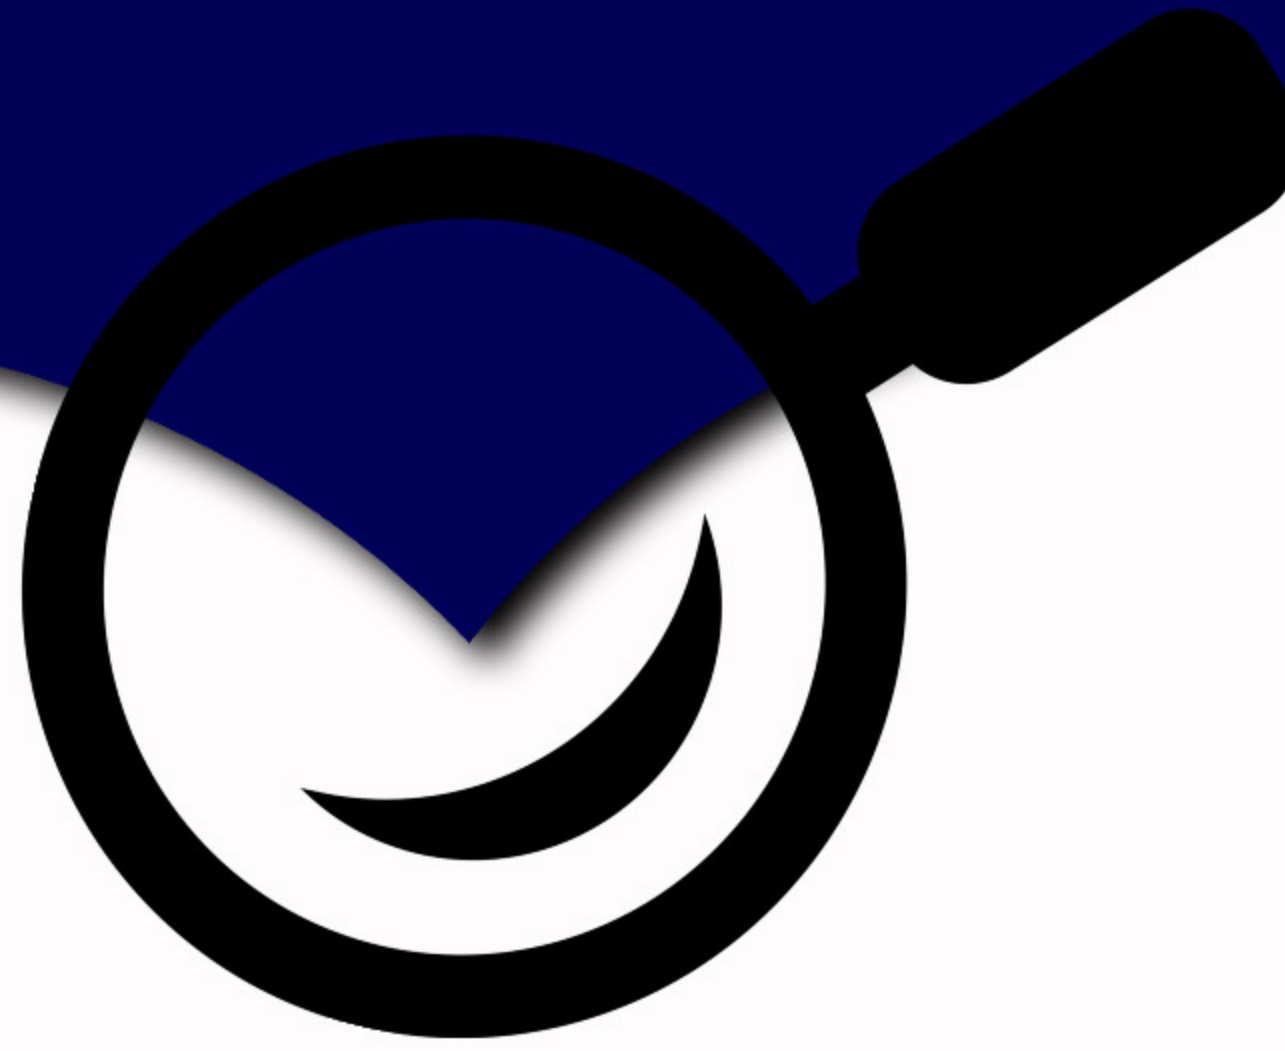

- To establish special school and out-of-school programmes for the children and youth.

- To generate, organize and disseminate critical data and up to date information about various types of violence against children and youth.

- To contribute to the entrenchment of good Governance in Nigeria.

- To encourage leadership training and development
